

f

1 fenêtre

2 fraise

3 feu

4 feuille

A crossword puzzle grid with the following structure:

- A horizontal row of 7 empty cells at the bottom, with the number **1** to its left.
- A vertical column of 4 empty cells on the right side, with the number **4** above its top cell.
- A horizontal row of 5 empty cells, with the number **3** above its first cell.
- A vertical column of 3 empty cells on the left side, with the number **2** to its left.
- The grid is composed of black lines forming the boundaries of the empty cells.
